## Welcome

Karen J. Toppin, accepted the position of Senior Manager of Transition. Karen comes to us from Baltimore, Maryland where she worked for several years in ESE at alternative high schools. Karen assisted in opening off sites in Maryland with Urban League, and Youth Opportunity. She is a certified teacher with NEFTE ( Network for Teaching Entrepreneurship) , where she taught students how to become self-employed and started a school store. Karen's other life included working as an Assistant Vice President with Wachovia, and its predecessors in Maryland and Florida for more than 25 years. Karen spent 15 years with the United States Air Force Reserve out of Washington D.C. She combines her business savvy with her educational experience to bring a different spin and outlook to her position. Karen has been married to her husband Kenneth for over 20 years, and they have one son, Manswell, who is 7 years of age.
