

# POLK COMMUNITY COLLEGE COLLEGIATE CHARTER HIGH SCHOOLS

## PARTICIPATION AGREEMENT

The Polk Community College Collegiate High School and Chain of Lakes Collegiate High School exist for the purpose of educating students in a rigorous academic environment. We are pleased that you have made this academic choice and encourage your participation to the fullest in this educational experience. To assure understanding of policies and procedures regarding conduct, curriculum, and communication you are asked to read the following and indicate your understanding and acceptance.

*My signature below indicates that I acknowledge, understand and accept the following:*

1. I understand that as a student at a PCC Collegiate Charter High School Student (Dual Enrollment Collegiate or Pre-collegiate) I will be enrolled for some or all of my classes in college credit courses and that the depth, breadth, rigor and pace of these courses will be at the college level.
2. I understand that CHS/COL students in college level courses are subject to the same standards, policies, and responsibilities as other college students unless otherwise restricted by federal, state or local requirements.
3. I understand that curriculum content, evaluation, and selection of appropriate instructional materials are the prerogative of the college instructor and will not differ for dually enrolled CHS/COL students from that presented for traditional college students.
4. I understand that PCC is an open campus and that I will be attending classes with non-high school aged students and that I may encounter students of a variety of ages and backgrounds while on the PCC campus.
5. I understand that the appropriate Collegiate High School Director, Assistant Director or Guidance Counselor is the first point of contact for parents who wish to discuss academic progress in a course, schedule a conference, or request information about school or classroom activities.
6. I understand that attendance at orientation is required for each new student, and that attendance at an orientation session is required for the parent(s)/guardian of each new student.
7. I agree to treat fellow students, faculty and staff with respect.
8. I understand that, if selected for admission to a Collegiate Charter High School, I must agree to abide by all PCC CHS/COL policies and procedures, including but not limited to the Student Code of Conduct, Student Progression Plan, attendance policies and discipline policies described in the Polk County School Board Code of Conduct, and regulations described in the Polk Community College Handbook and Collegiate Policy Manual.
9. I understand that completion of high school graduation requirements does not guarantee completion of an AS or AA degree. To receive an AS or AA degree I understand that a student must meet all program requirements identified in the PCC College Catalog at the time of the student's initial admission.
10. I understand that I will be responsible for all instructional materials, textbooks, and equipment issued to me.

11. I agree to attend school regularly (see that my child attends regularly) and understand that I must be present for scheduled classes if I intend to be successful in this rigorous environment.
