

Appendix 7

Student Progression Plan

McKeel Academy uses the Polk County School Board Student Progression Plan with some additional requirements. Additional requirements for middle school students include Technology and Physical Education. High school requirements are as follows:

McKeel Academy of Technology follows the current state requirements for a twenty-four (24) credit standard diploma and these requirements are:

English	4 Credits
Math	4 Credits
Science	3 Credits (2 with lab components)
Social Studies	3 Credits
Personal Fitness Fitness Lifestyles	1 Credit
Fine Arts	1 Credit
Majors, Minors, and Electives	8 Credits <ul style="list-style-type: none"> • 4 credits in a major area of interest • 4 credits in elective courses, which may be combined for a second major of interest, a minor area of interest (3 credits), individual elective courses, or intensive reading courses
FCAT	Passing scores on the Grade 10 FCAT
Grade Point Average Requirements	Cumulative GPA of 2.0 on a 4.0 scale

In addition to the state requirements listed above, McKeel Academy students must complete the following graduation requirements:

Technology Integration	Completion of 4 years in technology classes
Senior Internship/PAWS (Pupils in the Work Site)	Seniors who are not in the PAWS Work Program will complete a Senior Internship, and all Seniors will participate in the Senior Expo.
Community Service	150 hours of community service

Coursework above the minimum state graduation requirements may, under certain circumstances, be waived or abbreviated by the Superintendent of McKeel Schools.
