Polk County Public Schools

K-12 Comprehensive Research-based Reading Plan Intent to Participate Form

Annually, each charter school should notify the Polk County School Board if it intends to participate in the PCSB K-12 Comprehensive Research-based Reading Plan (CRRP). In order to identify the charter schools planning to participate in the CRRP for the 2011-2012 school year, the form below must be completed and submitted to The Office of Magnet, Choice, & Charter Schools by **February 18, 2011**. If a form is not submitted by the School by this date, the school will be reported as not participating. The current plan will be revised in March. Updates on substantive changes will be provided to schools indicating intent to participate before the plan is submitted and ongoing participation is confirmed. For additional questions, you may contact Paula Leftwich, Senior Director/K-12 Curriculum and Instruction, at paula.leftwich@polk-fl.net.
