

The following pages are our handout submissions for the session entitled: **R.E.A.L. Lessons for R.E.A.L. Coaches** to be presented by Harriet Brady, Lara Deason and Kathy Nobles.

Due to the fact that our session will be an interactive one, and each participant will be provided a CD with sample lessons and materials, we have chosen not to use a power point. We will provide, for participants, the CD's and handouts during the session.
