

The 2010 Presidential Awards Program is for K-6 teachers of science or mathematics. **The online [nomination](#) system will close on April 1, 2010 and the online [application](#) system will close on May 3, 2010.** A state selection process is scheduled for the spring of 2010 to select up to three state finalists who will be entered into the national program. The national selection committee may select one Presidential Awardee from each state.

To nominate a teacher go here:
