

**PRODUCT APPROVAL SPECIFICATION SHEET**

**Project Number** \_\_\_\_\_ **Location** \_\_\_\_\_

As required by Florida Statute 553.842 and Florida Administrative Code 9B-72, please provide information and product approval number(s) on the building components listed below if they will be utilized on the construction project for which you are applying. Your supplier should have product approval numbers and information. More information about statewide product approval can be obtained at: [www.floridabuilding.org](http://www.floridabuilding.org)

| Category/Subcategory        | Manufacturer | Product Description | Approval Number(s) |
|-----------------------------|--------------|---------------------|--------------------|
| <b>A. EXTERIOR DOORS</b>    |              |                     |                    |
| 1. Swinging                 |              |                     |                    |
| 2. Sliding                  |              |                     |                    |
| 3. Sectional                |              |                     |                    |
| 4. Roll up                  |              |                     |                    |
| 5. Automatic                |              |                     |                    |
| 6. Other                    |              |                     |                    |
| <b>B. WINDOWS</b>           |              |                     |                    |
| 1. Single hung              |              |                     |                    |
| 2. Horizontal Slider        |              |                     |                    |
| 3. Casement                 |              |                     |                    |
| 4. Double Hung              |              |                     |                    |
| 5. Fixed                    |              |                     |                    |
| 6. Mullion                  |              |                     |                    |
| 7. Wind Breaker             |              |                     |                    |
| 8. Dual Action              |              |                     |                    |
| 9. Other                    |              |                     |                    |
| <b>C. PANEL WALL</b>        |              |                     |                    |
| 1. Siding                   |              |                     |                    |
| 2. Soffit                   |              |                     |                    |
| 3. EIFS                     |              |                     |                    |
| 4. Storefronts              |              |                     |                    |
| 5. Curtain walls            |              |                     |                    |
| 6. Wall louver              |              |                     |                    |
| 7. Glass block              |              |                     |                    |
| 8. Membrane                 |              |                     |                    |
| 9. Greenhouse               |              |                     |                    |
| 10. Other                   |              |                     |                    |
| <b>D. ROOFING PRODUCTS</b>  |              |                     |                    |
| 1. Asphalt Shingles         |              |                     |                    |
| 2. Underlayment             |              |                     |                    |
| 3. Roofing Fasteners        |              |                     |                    |
| 4. Non-structural Metal Rf  |              |                     |                    |
| 5. Built-Up Roofing         |              |                     |                    |
| 6. Modified Bitumen         |              |                     |                    |
| 7. Single Ply Roofing Sys   |              |                     |                    |
| 8. Roofing Tiles            |              |                     |                    |
| 9. Roofing Insulation       |              |                     |                    |
