RE: Addendum #3
Management Services for Alternative Education
RFP #033-PLA-0109

This addendum to the School District of Polk County's RFP amends the response to #37 of the "Responses to Questions" that was previously issued in Addendum #2.

All additions are in brackets ([]), **bold type** and underlined for easy identification. All deletions are indicated by strikethrough (~~strikethrough~~).

Responses to Questions

37. What percentage of the students are presently receiving diplomas and what percentage are graduating and what percentage are dropping out?

*Regarding receiving diplomas and graduating, see response to question 6. Drop out rates are not readily available as a percentage due to the fluctuation in enrollment at the sites. For 2007-08, the number of students identified as "dropping out" is as follows: Bill Duncan – ~~36~~ **[16]**, Donald E. Woods – ~~53~~ **[26]**.*

This addendum is issued for information only and does not need to be returned with your response.

We apologize for any inconvenience.
