Special Terms and Conditions

A. SCOPE: The purpose of this Invitation to Bid is to select suppliers for Gateway computer repair parts. A representative listing of Gateway computer repair parts which might be purchased is included on the BID FORM AND SPECIFICATIONS. This list is solely for the purpose of evaluating each bid and should not be construed as the only Gateway computer repair parts that will be purchased .

B. F.O.B. DESTINATION: Prices bid for all items shall be F.O.B. Destination and include all shipping charges to Electronic Equipment Repair Service.

C. LINE ITEM CORRECTIONS: The use of correction fluid or erasures to correct line item bid prices and/or quantities are not acceptable. Corrections must be by strikethrough (~~strikethrough~~) of the incorrect figures, writing in of correct figures and initialing of the corrections by the originator. Correction fluid or erasure corrected bids will be considered non-responsive for the corrected items only.

D. SUBSTITUTIONS: NO SUBSTITUTIONS WILL BE ALLOWED. In order to ensure compatibility with existing components, this bid contains specifications and **approved brands and part numbers** based on the recommendations of our Electronic Equipment Repair Service. Please bid only the **approved brands and part numbers** specified. Vendors wishing to submit items for future evaluation may do so by contacting the Purchasing Department. Bids for any part number other than those listed on the BID FORM AND SPECIFICATIONS will be considered non-responsive for that part number. However, in the event a manufacturer has discontinued the production of a part number, vendors may substitute the replacement part number and clearly identify on the BID FORM AND SPECIFICATIONS that this is a replacement part number. **Documentation from the manufacturer concerning any such change shall be included with bid response.** Further, if at any time during the term of this bid, a manufacturer should discontinue production of a part number, the awarded vendor may ship the replacement for that part number (with prior written approval from the District Purchasing Director), provided documentation from the manufacturer concerning specifications and application is provided to the District and pricing remains the same as the original part number bid, or less.

E. QUANTITIES: Quantities on the attached Bid Form and Specifications are estimated for the bid period, and will be used in tabulating bid results when the bid is awarded on a composite basis. The School Board does not guarantee purchase of these estimated quantities. Purchases will be made throughout the contract period based on individual purchase orders. Items 15-16, 19-21, 36-37, and 40-42 are new items that do not have estimated quantities at this time.

F. AWARD: Items 1-21 for new computer parts may be a multiple award for up to three (3) vendors. Items 22-42 for remanufactured parts may be a separate multiple award for up to three (3) vendors. Failure to satisfactorily perform current or past contracts may result in the rejection of a bid as non-responsible. The School Board reserves the right to award this bid in whole or in part to one or more bidders, or to take any other actions that may be in the best interest of the School Board. It is anticipated there will be a recommendation for award of contract based on the lowest composite bid received from a responsive and responsible bidder. This will be the Primary Vendor award. There may be an additional award based on the second lowest composite bid received from a responsive and responsible bidder. This would/will be the first alternate award. The Board reserves the right to make additional alternate awards based on the next lowest composite bid received from a responsive and responsible bidder if it is in the Board's best interest to do so.

G. DETERMINATION OF BID PURCHASES: A representative listing of Gateway computer repair parts which might be purchased is included on the BID FORM AND SPECIFICATIONS. This list is solely for the purpose of evaluating each bid and should not be construed as the only Gateway computer repair parts that will be purchased.

1. For the purchase of items awarded on this bid:

a) In the event the Primary vendor is unable to satisfactorily provide the computer repair parts awarded on this bid, or is unable to provide the parts in a timely manner, the requestor may order the required parts from the first alternate awarded vendor. If the first alternate awarded vendor is unable to provide the required parts as described above the requestor may order the parts from the second alternate awarded vendor. In the event that the parts cannot be obtained from the awarded vendors, the Board reserves the right to seek additional quotes and make purchases from any other vendors in order to obtain the parts needed.

2. During the term of the contract it is envisioned that some Gateway computer repair parts not awarded on this bid will be needed. The following procedures will apply:

a) For purchases with an estimated cost totaling up to \$15,000.00: A price quote will be requested from the Primary vendor first. If the Primary vendor is unable to provide pricing for the parts requested, or is unable to provide the parts in a timely manner, the requestor may seek a price quote from the first alternate awarded vendor. If the first alternate awarded vendor is unable to provide pricing for the parts requested, or is unable to provide the parts in a timely manner, the requestor may seek quotes from the second alternate awarded vendor. In the event that quotes cannot be obtained from the awarded vendors, the Board reserves the right to seek additional quotes from any other vendors in order to obtain pricing for the parts needed.

b) For purchases with an estimated cost exceeding \$15,000.00: Three written quotes will be obtained. If there are three or more awarded vendors (primary and alternates), the request for quote will be issued to each awarded vendor first. Purchases will be made from the best and lowest quote from a responsive and responsible vendor. In the event that three written quotes cannot be obtained from the awarded vendors, the Board reserves the right to seek additional quotes from any other vendors in order to obtain pricing for the parts needed.

H. ADDENDA: It shall be the responsibility of each responding bidder to check The School Board of Polk County Purchasing Department website to ensure receipt of all addenda.

I. USE OF OTHER CONTRACTS: The School Board reserves the right to utilize any other District contract, any State of Florida Contract, any contract awarded by any other city or county governmental agencies, any other school board, or any other community college/state university system cooperative bid agreement, in lieu of any offer received or award made as a result of this bid, if it is in its best interest to do so. The School Board also reserves the right to separately bid any single order or to purchase any item on this bid if it is in its best interest to do so.

J. RETURN AGREEMENT: Each awarded bidder shall agree to accept the return of any item received which is found to be defective in packaging or quality. Full credit including shipping charges shall be issued.

K. OTHER FEES: Bidder may not add any additional fees to the order including, but not limited to, special handling charges, hazardous materials fees, fuel surcharges, etc.

Please state company name and authorized signature _____

L. RENEWAL OPTION/PETITION FOR PRICE INCREASE: By mutual consent of the School Board of Polk County and the successful bidder, this contract may be renewed for **additional periods**. Bid prices shall remain firm for the first twelve (12) months of this contract (unless prices are adjusted pursuant to Section M. of the Special Terms and Conditions). The successful bidder will have an opportunity to request an annual price adjustment for the second and subsequent contract extension periods. The request for price adjustment must be submitted in writing no later than 60 calendar days prior to any contract extension period. A request for increase will be accompanied by a copy of a notice of price increase from manufacturer to bidder, copies of original price lists from manufacturer along with new price lists to bidder, or comparable documentation as agreed upon by the Electronic Equipment Repair Services Manager and Purchasing and Warehousing Director or their designees. Written requests for price adjustments shall not exceed the rate of inflation determined by the Consumer Price Index (CPI) for urban wage earners and clerical workers, U.S. city average, all items (1982-84=100), published by the U.S. Bureau of Labor Statistics appropriately adjusted for the calendar year (January 1st to December 31st) preceding the calendar year in which the request is made. Please see the example shown on page 16. In the event there are major revisions or a change to the CPI index base period, the awarded bidder and the School Board of Polk County will negotiate an alternate index or base period. Any price adjustment shall be approved by the Electronic Equipment Repair Services Manager and Purchasing and Warehousing Director or their designees.

M. ADJUSTMENTS TO CONTRACT TERMS & CONDITIONS NECESSITATED BY VOLATILITY OF THE MARKETPLACE: After April 1, 2011 the district may, in its sole discretion, make an equitable adjustment in the contract terms and/or pricing if pricing or availability of supply are affected by extreme and unforeseen volatility in the marketplace, that is, by circumstances that satisfy all of the following criteria:

1. The volatility is due to causes wholly beyond the vendor's control and
2. The volatility affects the marketplace or industry, not just the particular vendor's source of supply and
3. The effect on pricing or availability of supply is substantial and
4. The volatility so affects the vendor that continued performance of the contract would result in substantial loss or financial hardship.

No request for price adjustment under this contract shall be considered prior to April 1, 2011. Requests for adjustments under this section shall not be considered more than once per contract period.

A request for a price adjustment will be accompanied by a copy of notice from manufacturer to bidder, copies of original price lists from manufacturer along with new price lists to bidder, or comparable documentation as agreed upon by Electronic Equipment Repair Services Manager and Purchasing and Warehousing Director or their designees. The determination as to whether a situation represents "extreme" volatility of the marketplace and/or whether the effect on pricing or availability is "substantial" shall be solely at the discretion of the District.

The School Board shall reserve the right to request a decrease in the event of a significant decrease in market price of any product or service listed on the bid form.

Any price adjustment shall be approved by the Electronic Equipment Repair Services Manager and Purchasing and Warehousing Director or their designees prior to the new price becoming effective.

SAMPLE

See example (sample) below of a requested price adjustment for the contract extension period October 1, 2006 through September 30, 2007. **Please note this is an example (sample) only and is in no way intended to forecast future inflation rates.**

On July 29, 2006 the vendor submits a written request for a price adjustment increase for the contract period October 1, 2006 through September 30, 2007. In this example the vendor requests an adjustment equal to the annual percentage rate of inflation, as defined in the bid Special Terms and Conditions Section L., for the calendar year 2005. If approved, the annual percentage rate of inflation (rounded to one decimal place) for the calendar 2005, would be added to the existing unit prices. The adjusted rates would be effective for the contract period October 1, 2006 through September 30, 2007.
