To help ensure that you include all the submittals necessary to complete a thorough evaluation of your bid response, we suggest that you use this checklist as a reminder to yourself, by placing a check in each box in the "Verified" column indicating that the item is included in your bid response packet. Please include this checklist along with your bid response. Items checked "Required" must be submitted with your bid response or your bid will be declared non-responsive. Items checked "Requested" should be submitted with your bid response to facilitate the bid evaluation process, but will not be cause for declaring your bid non-responsive.
