SUBJECT: 2010/11 February Budget Amendments – 03/22/2011 Board Meeting

In an effort to assist in better understanding the changes in our budgets for February 1, 2011 through February 28, 2011, I have prepared the following summary:

General Fund: Revenue and corresponding appropriations were increased for the 3rd calculation of FEFP (including lottery, class size reduction), school recognition awards for high schools, various donations, recycling proceeds, and local capital improvement transfers (from capital outlay funds) as approved by the school board for the revised capital outlay advertisement (including buses and technology). Fund balance increased overall due to the increase in the 3rd calculation, and recording the general fund impact of the Education Jobs funds (i.e. employee salary/benefit appropriations in the general fund were reduced because those salaries will be paid from the grant funds for the fiscal year 2010-11); there were also decreases in fund balance due to appropriations made for maintenance/repair projects previously approved by the board, and an appropriation for a general liability insurance premium to self insurance. School recognition funds were transferred out to Food Service for awards made to school foodservice personnel. Various routine transfers were made to reclassify expenditure budgets appropriately based upon actual needs and proper function.

Debt Service Funds: No amendment necessary.

Capital Projects Funds: Transfers to the general fund were budgeted for local capital improvement millage readvertised to be used to fund buses and technology. Fund balance was appropriated for those budgeted transfers, and to projects previously approved by the board.

Special Revenue Fund (Food Service): Transfers in from the General Fund were recorded for school recognition awards paid year to date to foodservice personnel.

Special Revenue Fund (Other-Grants): Additional revenue and corresponding appropriations were recorded for grant awards previously approved by the board including renewal and/or carryforwards of Title II and Advanced Placement. Various

routine transfers were made to reclassify revenue and expenditure budgets appropriately based upon actual needs and proper function.

Special Revenue Fund (ARRA): Additional revenue and corresponding appropriations were recorded for increase in ARRA stabilization funds due to receipt of the 3rd FEFP calculation, modification by DOE of the Education Jobs Funds award, and the award of Race to the Top (first year award \$1.218 million). Various routine transfers were made to reclassify revenue and expenditure budgets appropriately based upon actual needs and proper function.

Internal Service Funds: No amendment necessary.
