**To:** School Board Members  
Dr. Sherrie B. Nickell, Superintendent

**From:** Mark Grey, Assistant Superintendent, Business Services  
Audra Curts, Sr. Director of Finance  
Pennie L. Zuercher, Director of Financial Reporting

**Re:** March 2011 Financial Summary

---

Attached you will find the financial package for month ending March 31, 2011. Below you will find a brief summary by fund of the major events impacting the financial statements of the District.

### General Fund

State and Local sources of revenues continue to be in line with the 2011 Budget. Local sources continue to be lower than prior year while State sources continue to be higher. Transfers In remain higher than prior year offsetting increases in expenses as a result of a rule change that was effective with the 2011 fiscal year regarding classification of expenses within the Capital Projects funds.

Overall, expenses have decreased slightly as compared to prior year. Increases in General Administration over prior year continue to be a result of recording insurance premiums for workers' compensation, general and fleet liability monthly instead of annually. Increases in diesel prices along with an aging fleet resulting in increased parts and repair costs have resulted in higher Pupil Transportation costs.

### Capital Projects

Local sources of revenue continue to be lower when compared to prior year while State sources are higher. Transfers in and other financing sources are also remain down. Expenses for facilities c due to continued work on remodel/renovation projects around the district. The decrease in expenses for instruction, administration, food service, and central services are due to the rule change mentioned previously. As a result, monies normally spent in instruction and central services are being transferred to the general fund, and food service expenditures may only be recorded in Special Revenue

*Polk County Schools-  
An equal opportunity  
Institution for education  
and employment*

### **Special Revenue**

Federal through state sources of revenue and instruction expenses have increased due to Jobs Fund receipts. The increases in expenses for instructional and curriculum development, and instructional staff training are a result of a timing variance between the 2010 and 2011 grants.

If you have any questions, please, do not hesitate to contact one of us.

Thank you.
