

## **Title I, Part C – Migrant Education**

Title I, Part C, of the No Child Left Behind Act of 2001, provides funds to districts with a large migratory population. A “migrant” is a person who travels to another location specifically to obtain seasonal employment. This often results in a disruption of the education of children in these families. Title I, Part C, provides funds to assist migratory children who are at risk of falling behind in school.

The district employs Migrant Advocates to assist migrant children in transitioning to the new school setting and migrant home-School Liaisons to recruit and identify families that qualify for services.

Migrant personnel school assignments for 2009-10 are as follows: (See next page.)
