

Name _____

Date _____

GO

STOP

The page contains a series of horizontal lines for handwriting practice. A vertical green line is positioned on the left side, starting from a green circle with the word 'GO' inside. A vertical red line is positioned on the right side, starting from a red octagon with the word 'STOP' inside. Between these two vertical lines, there are 20 horizontal lines. Each horizontal line has 20 small vertical tick marks spaced evenly across it, serving as guides for letter width and placement.
