

PRE-CUTTING ACTIVITY # 1

TEARING PAPER

Tear construction paper or tissue paper into small pieces and glue them onto an outline of a shape. Try gluing pink paper onto a pig shape and yellow paper onto a star shape.

PRE-CUTTING ACTIVITY #2

TONGS

Have a competition or try to beat your own score by seeing how many blocks you can stack using a pair of tongs.

PRE-CUTTING ACTIVITY #3

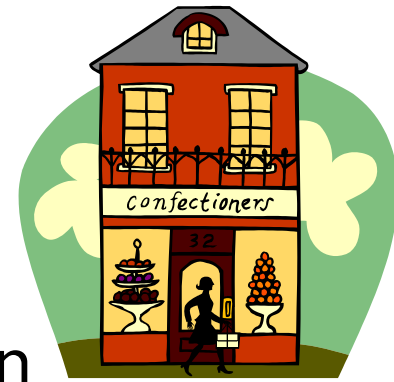

SPRAY BOTTLES

Use spray bottles filled with colored water to “spray paint” paper. After drying, use the paper as gift wrap.

PRE-CUTTING ACTIVITY #4

HOLE PUNCHING

Draw a picture of a Candy Store on construction paper. Draw a dotted path from the bottom of the paper to the store. Use a hole punch to follow the path.
