

Line Cutting Activity #1

Lion's Mane

Snip on one inch long lines around the edge of a paper plate to make a lion's mane.

Decorate the plate accordingly.

Line Cutting Activity #2

Paper Lantern

Fold a piece of construction paper lengthwise. Cut forward on lines that are one inch apart from the folded edge; stopping one inch before reaching the other edge. Open the paper, form it into a cylinder, tape the ends, and hang it from the ceiling.
