

Project Fill-a-Bucket 2010

**Serving the needs of homeless
students in Polk County
during the Holidays**

Donations are needed by:

November 20

Project Hearth and the Polk Education Foundation are partnering together for the fifteenth year to administer Project Fill-A-Bucket. Buckets are given to students in the Polk County public school system who meet the federal criteria as homeless, or who are at risk of becoming homeless. Buckets are decorated, filled and distributed prior to the Christmas holidays. For many children these buckets not only contain basic living necessities, but may be the only items they receive during the holiday season.

We ask that **NEW ITEMS ONLY** be donated to fill the buckets.

If you would like to participate, please send donations by courier to: [Dee Dee Wright, Hearth Portable, District Office, Route E.](#) For large quantity pickups, those outside the school system, or if you have questions, please call the Project Hearth Office, 863-534-0801, or the Polk Education Foundation, 863-534-0519, to make an appointment for pickup. Your help in brightening the lives of these disadvantaged children during the holidays is very much appreciated!
