

Accountability Plan Timeline

2009-2010

- July 29, 2009** Distribute Accountability Plan Guidelines to all charter schools submitting renewal document in November 2009 during the Renewal Orientation. These documents are available on the website at www.polk-fl.net, keyword School Choice, click on the link for Charter School Documents.
- October 1, 2009** A Draft Renewal Accountability Plan is to be submitted with Renewal Document as an attachment by each renewing charter school. This Draft plan should cover the term of the school's requested Renewal Contract. The Accountability Review Team will work with each renewing charter school on the Draft Accountability Plans.
- October 1, 2009** Accountability Plan Progress Report is to be submitted with Renewal Document as an attachment by each renewing charter school. This Progress Report must provide the baseline data in the approved Accountability Plan and annual progress for each year of the current contract. The source document should be cited for all data provided. The Accountability Team will review each renewing charter school's approved Accountability Plan and progress towards meeting goals to provide a report to the Charter Review Committee in order to determine renewal recommendation to the Superintendent.
- October 2009 - March 2010** Accountability Review Team will work with each renewing charter school on their draft Accountability Plan.
- April 30, 2010** Final Accountability Plan is due from each renewing charter school using 2008-2009 baseline data for each goal.
