Subject: Charter School FTE projections for 2009-10
Attachments: Bastin, Steffanie J..vcf; FTE Projections.xlsx

Good morning everyone,

I have attached the FTE projection worksheet for 2009-2010 to this e-mail. Please calculate your projected FTE for next year and return to me no later than 5/31/09. As we all know, next year is going to be a challenge for us financially and the FTE projections are very important as the July through October payments are calculated on this estimate.

Please explain if your FTE projection has a variance of 10% or more compared to the 2008-09 figures.

If you have any questions please feel free to contact me.
