Family Involvement

Our dedication to excellence in the performing and visual arts requires our students and their families to fully participate in our program through after-school rehearsals, performances and exhibits. Students and parents are required to sign a contract agreeing to support this requirement as well as our attendance policy, dress code and academic expectations.

Jewett School of the Arts
is a **ZONE B** School

The Mission of Polk County Public Schools is to ensure rigorous, relevant learning experiences that result in high achievement for our students.

JEWETT SCHOOL of the ARTS

A Polk County Public School
Committed to Academic and Artistic Excellence in a Caring Environment

As a choice school with students in Kindergarten through Eighth Grade, Jewett School of the Arts offers a program of performing and visual arts for both elementary and middle school students,

allowing students to succeed both creatively and academically. Our arts program is combined with the academic program to enhance learning for all students.

Mission/Vision

Our mission is to provide all participants in our learning

community with the resources needed to become responsible, life-long learners committed to excellence in the academics and the arts.

We believe that:

- All students can learn and make learning gains
- All students make a positive contribution to the school, their family and their community
- Fine Arts enhance academics
- Teachers can utilize differentiated strategies to ensure a rigorous and relevant learning experience for every child

- Social studies
- Technology skills

Technology

JSA has three computer labs used for keyboarding, skills development and Internet research. Our

Read/80 classroom, an intensive reading program, contains computer stations that are used as a part of daily instruction. Many classrooms have video projection equipment with sound enhancement. All classrooms have multiple personal computers for student use.
