This is a Contract made and entered into as of the 26 day of June 2007, between The School Board of Polk County, Florida, hereinafter referred to as the *Sponsor*, and ***Lakeland Montessori Schoolhouse, Inc.***, a non-profit organization organized under the laws of the State of Florida, hereinafter referred to as the *School*.

A. SCHOOL CONCEPT

This School will:

(1) The mission of Lakeland Montessori Schoolhouse is to provide an enriched academic environment, which emphasizes the development of character, particularly the virtues of Respect, Responsibility, and Resourcefulness. LMS is the first public Montessori elementary program ever offered in Polk County and fills a need by providing a Montessori educational choice for students from PreK up to grade 6.

(2) Include all of the information required to service Limited English Proficient (LEP) students e.g., language proficiency assessment data, level of language proficiency, home language survey, and LEP Committee information, as applicable to School in the Sponsor's Plan for Limited English Proficient Students as appropriate and to the extent described in this Contract, together with such changes as may be reasonably agreed upon by the parties. The parties agree that the School's LEP committee will consist only of the School's Administrator and the child's current teacher, along with the parents being encouraged to attend the meeting. The parties also agree that the School Administrator will serve as the LEP Chairperson. Additionally, it will include all of the information required for Exceptional Student Education

(ESE) students.

(3) Establish the current incoming baseline standard of student academic achievement, the outcomes to be achieved, and the method of measurement that will be used. Part II , Section B(1) of this Contract includes a detailed description of how the baseline student academic achievement levels and prior rates of academic progress will be established, how these baseline rates will be compared to rates of academic progress achieved by these same students while attending the Charter School, and how these rates of progress will be evaluated and compared to the rates of progress of other closely comparable student populations as delineated in the Sponsor's annual review of Charter Schools.

(4) Employ appropriate instruments, with documented validity and reliability that will be used to measure and monitor growth of students, and collaborate as appropriate with outside professionals to develop and select these alternative evaluative instruments.

It is the intent of the parties that this Contract shall constitute the School's Charter. The application and renewal document approved by the Sponsor on March 13, 2007 is attached hereto as Appendix 1.

B. TERM

(1) This Contract shall become effective as of the date first above written upon signing by both parties, and the term shall cover seven (7) years commencing on the first day of the 2007-2008 school year, and ending on June 30, 2014.

(2) This Contract may be renewed for up to an additional fifteen (15) years by mutual agreement of the parties and upon the terms and conditions established by §1002.33, Florida Statute, for such renewal.

(3) This Contract may be modified during its initial term or any renewal term upon the approval of both parties, and such modifications shall be in writing and executed by the parties. The party to whom a proposed modification is submitted shall respond in writing, either accepting or rejecting such modifications, within thirty (30) days after receipt of the proposed modification.

(4) At the end of the term of the Contract, the Sponsor may choose not to renew the Contract for any of the following grounds:

- (a) failure to participate in the state’s education accountability system created in §1008.31, as required in this Contract section, or failure to meet the requirements for student performance stated in this Contract (See below Part II B;
- (b) failure to meet generally accepted standards of fiscal management;
- (c) violation of law; and/or
- (d) other good cause shown.

(5) During the term of the Contract, the Sponsor may terminate the Contract for any of the grounds listed in paragraph (5) (a) - (d) as well as for failing to maintain an appropriate racial balance for its student population specifically set forth in Part III, Section A(3) of this Contract. For purposes of this Contract, the term “good cause,” as used in paragraph (5) (d) shall mean the following: A School’s failure to materially comply with the terms and conditions of the Contract after being notified of its non-compliance; and continuing failure by the School to cure its non-compliance with the material terms and conditions of the Contract after being issued the requisite notice under §1002.33(8), Florida Statute.

(6) At least ninety (90) calendar days prior to renewing or terminating a Contract, the Sponsor shall notify the governing body of the School of the proposed action in writing. The notice shall state in reasonable detail the grounds for the proposed action and stipulate that the School's governing body may, within fourteen (14) calendar days after receiving the notice, request an informal hearing before the Sponsor. The Sponsor shall conduct the informal hearing within thirty (30) calendar days after receiving a written request. The School's governing body may, within fourteen (14) calendar days after receiving the Sponsor's decision to terminate or refusal to renew the Contract, appeal the decision pursuant to the procedure in §1002.33(8)(c), Florida Statute.

(7) This Contract may be terminated immediately if the Sponsor determines that good cause has been shown or if the health, safety, or welfare of the students is threatened. The Sponsor may assume the operation of the School under these circumstances. The School agrees to submit to the Sponsor all records related to the School without undue delay and follow the termination procedures and practices developed. The Sponsor must provide the basis for termination in writing detailing the basis for this and such findings should be made concurrently with termination. The School's governing board may, within fourteen (14) calendar days after receiving the Sponsor's decision to terminate the Contract, appeal the decision pursuant to the procedure established in §1002.33(8)(d), Florida Statute.

(8) In case of termination of the Contract, after completion of any appeals process available under 1002.33, Florida Statute, the School shall be dissolved under the provisions of law under which the School was organized. In that event, any property, improvements, furnishings, and equipment purchased with public funds shall automatically revert to the Sponsor

(subject to any lawful liens and encumbrances). If the School's accounting records fail to clearly establish whether a particular asset was purchased with public funds or non-public funds, then it shall be presumed public funds were utilized and ownership of the asset shall automatically revert to the Sponsor. Property and assets purchased with public funds shall be defined as those goods purchased directly with grants and funds provided by a governmental entity. Property and assets purchased by an educational management organization in conjunction with operating the School shall not be deemed purchased with public funds.

(9) In case of termination or non-renewal of the Contract, after completion of any appeals process available under 1002.33, Florida Statutes, the School shall be responsible for all the debts of the School. The Sponsor may not assume the debt from any contracted services made between the governing body of the School, the management company- if applicable - and/or third party, except for a debt that is previously detailed and agreed upon in writing and executed with the same formalities as set forth in this Contract by both the Sponsor, the governing body of the School, and that may not reasonably be assumed to have been satisfied by the Sponsor.

(10) To facilitate the transition in the event a Charter School Contract is terminated, after completion of any appeals process available under 1002.33, Florida Statutes, the parties will follow the steps outlined in Appendix 2.

The School ensures that reading is a primary focus of the curriculum and that resources are provided to identify and provide specialized instruction for students who are reading below grade level. Further, the curriculum and instructional strategies for reading are consistent with the Sunshine State Standards and are grounded in scientifically based reading research. The Sponsor's Plan for Limited English Proficient Students is included in Appendix 4, which the School shall adopt or amend as agreed, or submit its own STATE APPROVED DOCUMENT.

B. ACCOUNTABILITY PLAN

(1) During the first year of the Contract, the School agrees to implement the current baseline standard of achievement, the outcomes to be achieved, and the methods of measurement that have been mutually agreed upon and identified in the School's renewal document. (3) In addition to evaluating the School’s success in achieving the objectives stated in either the renewal document or the School Accountability Plan, all Charter schools will be held accountable for meeting the State’s student performance requirements as delineated in State Board of Education Administrative Rule 6A-1.09981, *Implementation of Florida’s System of School Improvement and Accountability*. Specific Authority for this is found in §1001.02, §1008.33, and §1008.345, Florida Statute.

The School shall implement the current baseline standard of achievement, the outcomes to be achieved, and the methods of measurement identified in the Accountability Plan and incorporated herein. When determining the baseline standard of achievement for students, the School shall develop, maintain, monitor, track, and include the following:

- (a) How the baseline student academic achievement levels and prior rates of academic progress will be established.

- (d) Sponsor is required to provide academic student performance data to School for each of its students coming from Sponsor's system, as well as rates of academic progress of comparable student populations in Sponsor's system.

(2) If an ESE student's IEP indicates an alternate assessment, in lieu of full/partial participation in a State assessment, the School will facilitate the alternate assessment and comply with State reporting procedures.

D. DATA USE AND ACCESS

(1) The School agrees to use data provided through its participation with the Sponsor in electronic data processing systems pertaining to admissions, registration, and student records.

(2) The School agrees to allow the Sponsor reasonable access to its facilities and records to review data sources, including collection and recording procedures, in order to assist the Sponsor in making a valid determination about the degree to which student performance requirements have been met as stated in the Contract, and required by §1002.33(23), Florida Statute.

(3) Sponsor is required to provide to the State Board of Education and the Commissioner of Education an analysis and comparison of the overall performance of the

School's students. The parties agree that the Sponsor will use results from the State required assessment programs referenced in this Contract (and any of Sponsor's assessment programs in which the School elects to participate) and the data elements to be included in the annual report which the School is required to submit pursuant to §1002.33(23), Florida Statute.

(6) The School shall follow the Sponsor's Elementary School Academic Programs Course Codes.

(7) The School will maintain both active and archival records for current/former students in accordance with Florida Statutes.

Related services e.g., speech/language therapy, occupational therapy, physical therapy, and counseling must be provided by the School staff or paid for through a separate contract.

(2) The Sponsor will have the responsibility of conducting the evaluation of students referred for potential ESE placement in accordance with federal and state mandates. The School agrees that the Sponsor will perform all evaluations of students initially referred for ESE placement, and that the Sponsor shall bill the School for the actual cost of such evaluations. The School will be billed for these services not covered by the five percent (5%) administrative fee at the actual cost of these services. The School may obtain independent evaluations of students at

their expense. These evaluations may be considered in determining eligibility but will not necessarily substitute for an evaluation conducted by Sponsor district personnel in a manner and timeframe consistent with that of all other schools in the district.

(3) If it is determined by an IEP committee that the needs of a student with disabilities cannot be met at the School, the Sponsor will take steps to secure another placement for the student in accordance with federal and state mandates. (4) The Sponsor may participate in all IEP meetings (including initial staffing and annual IEP review meetings) at the School and will serve as the Local Educational Agency (LEA) Representative, at its own expense. The Sponsor will be responsible for the review of the Matrix of Services, at no cost, form following the completion or revision of an IEP. The Sponsor will make final determinations of the Matrix of Services scores.

Those students, whose needs cannot be adequately addressed at the School as determined by an IEP committee, will be appropriately referred; and the School staff will work together with the Sponsor's personnel to ensure that the needs of these students are met. The School's staff will work closely, and as early as possible in the planning/development stages, with Sponsor staff to discuss the services needed by the School's students with disabilities.

(6) In the event there is a Due Process Hearing in accordance with Section 615 of the Individuals with Disabilities Education Act involving the provision of education and related services to a student with disabilities at the School, the School shall bear all the costs of the hearing, including legal representation. In the event that the party representing the parents or guardians is prevailing, any and all attorneys fees awarded to prevailing party will be paid by the School.

The School will be responsible for its enrollment process. The School shall comply with the Sponsor's enrollment monitoring plan attached hereto as Appendix 9, as well as all desegregation requirements to which the Sponsor is subject.

(2) Informational meetings will be held by the School to inform interested parents/guardians of the mission of the School, the registration process, and required contractual

obligations. The School will provide this information to parents/guardians in English as well as in other languages, as needed (e.g., Spanish).

C. WITHDRAWAL OR TRANSFER OF STUDENTS

The School may not withdraw or transfer a student involuntarily, unless the withdrawal or transfer is accomplished through established administrative procedures mutually agreed upon in this Contract, or through existing administrative procedures in the Sponsor's Board Rules and/or Policies.

D. DISCIPLINE

(1) The School agrees to maintain a safe learning environment at all times. In order to provide criteria for addressing discipline issues that will ensure the health, safety and welfare of all students attending the School, the School will adopt and follow the Sponsor's Code of Student Conduct with exceptions or as later modified which is attached as Appendix 10 until such time as the School develops and receives Sponsor's approval of its own Code of Conduct. Students who attend the *Lakeland Montessori Schoolhouse* and their parents/guardians will enter into contracts with the School. Such contracts will detail the responsibilities staff members, students, and parents/guardians are expected to fulfill. If parents/guardians or students do not meet these obligations, it will be recommended that the student attend another school. For compliance with ESE student discipline procedures refer to Sponsor's ESE SIP document, which is attached as Appendix 6.

of the Sponsor's operating funds from the Florida Education Finance Program (FEFP) as provided in Section 1011.62, Florida Statutes, and the General Appropriations Act, including gross state and local funds, discretionary lottery funds, and funds from the Sponsor's current operating discretionary millage levy; divided by the total funded weighted full-time equivalent students (WFTE) in the Sponsor's district; multiplied by the WFTE of the School.

(2) If the School's students or programs meet the legal eligibility criteria, the School shall be entitled to its proportionate share of categorical program funds included in the total available FEFP funds by the legislature, including transportation.

(3) Total funding for the School shall be recalculated during the year to reflect the revised calculations under the FEFP by the state and the actual WFTE students reported by the School during the full-time equivalent survey periods designated by the Commissioner of Education.

(4) With regard to any program or service provided by the Sponsor which is funded by federal funds that follow an eligible student, the Sponsor agrees that if the same program or service is provided to an eligible student at the same level of service by the School, then upon receipt of adequate documentation from the School, the Sponsor shall transfer to the School the federal funds received by the Sponsor attributable to that student, provided that federal law or regulation does not prohibit such transfer of funds and subject to the provisions of the Sponsor's policy codified at 6Gx53.4.020 VIII(H) and IX and X. (6) The Sponsor agrees to support the School in its efforts to secure grants by timely processing and submitting all documentation prepared by the School and necessary for the School's competition for grants and other monetary awards, including, but not limited to, Federal Start-up Grant and Dissemination Grant.

(7) Unless otherwise provided in this Contract, if the School's students, programs, staff and/or facilities are used to generate funds for the Sponsor, the Sponsor agrees to give the School its proportionate share of federal and/or state funds generated. This includes any changes in law creating new categories of funds.

(8) Should the School receive notice of a negative funding adjustment which is attributable to non-compliance by a school other than this Charter School, then the School will not be assessed any penalty.

(9) The School shall report its student enrollment to the Sponsor as required in Section 1011.62, Florida Statutes, and in accordance with the definitions in Section 1011.61, Florida Statutes, at the agreed upon intervals and shall use the reporting method required by the

(11) The Sponsor shall make certain that the School receives timely distribution of all funding for which School is eligible. Payment will be broken into eleven (11) monthly payments with no payment in June. Each payment shall be issued no later than ten (10) working days after Sponsor receives a distribution of state or federal funds. The first payment of every subsequent year shall be adjusted by any final amounts due to or from the Sponsor for services provided the School during the previous year.
