## Why Senior Projects?

- The Senior Project was first piloted in Pasco County at Gulf High School in the 1999-2000 school year. It has since become an integral part of the English IV curriculum that has expanded to all of Pasco County's high schools.

---

---

---

---

---

---

---

---

## Why Senior Projects?

- The senior project provides students with an opportunity to explore career options through job shadowing, to see their mentors engaged in the day-to-day activities of their chosen careers.

---

---

---

---

---

---

---

---

## Why Senior Projects?

- It also enhances students' job related skills by working on things such as interpersonal skills, organization, planning, reviewing and revising, the use of multi-media programs and collaboration with others.

---

---

---

---

---

---

---

---

## REAL WORLD OPPORTUNITY

- Job opportunities
- Professional contacts
- Internships
- Career experience
- Personal growth
