

# **6<sup>TH</sup> GRADE PARENTS**

**IMMUNIZATION IS YOUR CHILD'S TICKET TO A  
HEALTHIER FUTURE**

**2009-2010**

**The Florida Department of Health requires 7<sup>th</sup> graders to have the following immunization:**

- Tdap (1 dose) Tetanus-Diphtheria-Pertussis

**Documentation of the Tdap is required BEFORE your child starts 7<sup>th</sup> grade.**

**Current 6<sup>th</sup> graders should already have received the immunizations listed below:**

- MMR (2 doses)
- Polio (4 doses)
- DTP (5 doses)
- Hepatitis B Series
- Varicella vaccine (1 dose) or signed proof of the disease

**Immunizations are available from your private medical doctor or the local health department (see list on the back of this page).**

**Take your child's complete immunization record with you when you go to obtain the vaccine. Contact the school office ahead of time to pick up your child's immunization certificate.**

**Return the DH 680, Florida Certification of Immunization, to the school after each immunization visit.**
