Quality Health Care Just
Got More Affordable

WWW.COVERFLORIDAHEALTHCARE.COM

Having quality health care just got more affordable with Cover Florida.

This affordable health care product offers benefits that include preventive health care services, office visits, screening services, inpatient hospital care, urgent, and emergency care services, and allows you to:

- choose primary and preventive services instead of more costly visits to emergency rooms; and
- carry your CoverFlorida plan coverage with you even if you change jobs.

How do I qualify for Cover Florida coverage?

To qualify you need to:

- be between 19 and 64 years of age;
- be uninsured for at least six months unless coverage was terminated within the previous six months due to:
 - loss of a job that provided an employer-sponsored health benefit plan;
 - exhaustion of coverage that was continued under COBRA or continuation-of-coverage requirements under F.S. 627.6692;
 - reaching the limiting age under the policy (Healthy Kids, Dependent coverage, etc.); or
 - death of, or divorce from, a spouse who was provided an employer-sponsored health benefit plan
- have applied for health care coverage through a Cover Florida Plan and have agreed to make any payments required for participation.

What do I get with a Cover Florida plan?

- All Cover Florida Plans are guaranteed-issue products subject to exclusions for pre-existing conditions. When the 12 month exclusion period is over, pre-existing conditions are covered for the life of the policy.
- The freedom to carry your CoverFlorida plan coverage with you even if you change jobs.
- All packages offer prescription drug benefit coverage, a prescription drug manager, or a discount drug card.
- Each Cover Florida Plan offers incentives for routine preventive care, including:
 - preventive services that are completely covered with no copayment.
 - waived copayments for cervical cancer, colorectal and prostate screenings and mammograms.

Preventive Coverage

A Cover Florida Plan's preventive benefit package includes but is not limited to:

- Preventive health services, including:
 - Immunizations
 - Annual health assessments
 - Well-woman services
 - Well-care services
- Preventive screenings, including:
 - Mammograms
 - Cervical cancer screenings
 - Noninvasive colorectal or prostate screenings
- Office visits for the diagnosis and treatment of illness or injury
- Office surgery, including anesthesia
- Behavioral health services
- Durable medical equipment and prosthetics
- Diabetic supplies

Catastrophic Coverage

A Cover Florida Plan's catastrophic benefit package will include at least those services in the preventive coverage and:

- Inpatient hospital stays
- Hospital emergency care services
- Urgent care services
- Outpatient facility services
- Outpatient surgery
- Outpatient diagnostic services
