# Obtaining Reports/Results

Reports/Results can be generated at any time once your school has begun the survey implementation process, however, these reports will only run on a weekly basis.

Contact Timothy Emmons to request results for a specific time period. At the close of the survey window on 27 March 2015 a final report will be generated for each school and uploaded to your school's eTASK shared folder.

Each Survey Result Report will include two separate sections/files.
