

Student resources for End-of-Course Assessments

The Polk County School District's Teaching and Learning Division has created student Moodle courses to support students on the Florida End-of-Course Assessments. Support is available for the following courses:

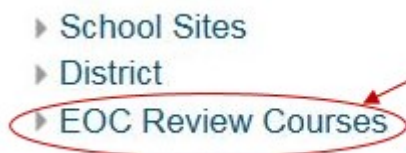

- ◆ Algebra I
- ◆ Geometry
- ◆ Algebra II
- ◆ Biology
- ◆ Civics
- ◆ US History

These Moodle courses contain videos, practice items, and practice assessments to help students understand all of the standards found in the course's curriculum.

How Students log-on

Student log-on is simple.

1. First students will log on to Moodle (<http://moodle.polk-fl.net>) and enter their credentials.
2. Next they will select **Courses**, and select **EOC Review Courses** (see below.)

3. Select the course or course you want to review.
4. The enrollment key for these courses in **eoc123**

Please contact the Teaching and Learning Department (863) 534-0018 for any questions.
