

An American flag with a textured, hand-painted appearance, serving as the background for the top half of the page.

Pride for our  
country.

Flags for your  
school.

Woodmen of the World is one of the largest presenters of the American flag, outside of the US government. Our ability to provide flags\* to schools, non-profit organizations, and churches, is just one of the qualities that sets us apart.

Please let us know if you need a flag for your:
