

Laser Vision Correction

Access to laser vision correction is an important feature of any vision plan.

UnitedHealthcare Vision is proud to add value to your vision care program by offering access to discounted laser vision correction procedures through Laser Vision Network of America (LVNA).

Members receive:

- A discount of 15% off standard prices or 5% off promotional prices with any in-network surgeon.
- A nationwide network of more than 500 laser vision correction locations credentialed according to NCQA recommended standards. *The National Committee for Quality Assurance is a private, 501(c)(3) not-for-profit organization dedicated to improving health care quality. Please visit www.ncqa.org for more information.*

Additionally, featured providers, with locations nationwide, extend additional benefits to members, such as:

- Prices as low as \$695* per eye
- Free consultation and LASIK vision exam
- Affordable financing options
- Multiple laser technologies including custom and "all laser" LASIK
- Free enhancements for life on most treatments
