

UnitedHealthcare Vision Additional Materials Discount Program

Saving money never *looked* so good

At UnitedHealthcare Vision, we strive to deliver the most generous and cost-effective vision care experience possible. Our new Additional Materials Discount Program helps us do just that. Studies indicate that 17% of people buy two or more pairs of glasses at the time of their examination.¹ Plus, you'll be pleased to learn that prescription eyewear can gain an employer about \$5,400 in productivity for someone who earns about \$60,000 a year.²

UnitedHealthcare Vision's Additional Materials Discount Program at network providers

Our standard vision benefit just got better with the addition of our new Additional Materials Discount Program. At a participating network provider,³ your employees will receive a 20% discount on an additional pair of eyeglasses or contact lenses.⁴ Since the average pair of eyeglasses costs about \$218, your employees may save about \$44.
