

Our Vision: 100% Access for all and no health disparities.

Focusing on Community Health

Do you believe our county needs to do something about health and the health of our families? Then come help the Polk Health Care Alliance and the Polk County Health Department develop a plan to address health issues by sharing your opinion. We will be having small group discussions of 8-12 people with various communities organizations to determine community members beliefs about our strengths, weaknesses, and provide us with ideas on how we as a community can make Polk County a wonderful and healthy place to live.

Who: You & Other Community Members

What: 30-60 minute Group Discussion focused on Polk County's health.

Why: Your Opinion Makes a Difference.

When & Where:

- June 16, 10:00 am—Woodlake Center, 3425 New Jersey Road, Lakeland, 33803
- June 23, 10:00am—Ridge Career Center, Health Sciences Bldg Conference Room, 7700 State Road 544, Winter Haven, 33881

Interested in participating then please contact: Jamie Baker at the Polk County School Board Wellness Program, (863) 648-3057 or email jamie.baker@polk-fl.net
