

Adapter Grant Application

School to School Connection ~ 2009-2010 Adapter Grant Application ~

This grant provides up to \$800 in funds to implement one of the School to School programs found online at www.polkeeducationfoundation.org/t2t.

It is funded by the Polk Education Foundation and our business partners.

Please send this application **along with an additional copy with all identifying information deleted** to The Polk Education Foundation, Miranda Collins, PCSB Courier Route E or 1530 Shumate Drive, Bartow, FL 33830

Postmark and courier deadline December 18, 2009.

Who is eligible?

Any elementary or middle school that attended the Idea Expo or made contact with the Developer. Schools may choose only one Developer's program to adapt for funding. One application per school please.

PLEASE NOTE: Number of awards are based on funds availability.

How much money is available?

Applicants may apply for up to \$800 needed to adapt the program. Schools are awarded the money to use in purchasing the necessary items needed to implement / adapt the program.

Accountability

If chosen as an Adapter Grant recipient, I understand that all grant funds must be spent on program appropriate classroom materials by an assigned deadline, and the receipts turned in for all materials purchased. Any money not spent must be returned to the Foundation. A final report must also be completed by the developer or a PEF staff member and will allow the Developer or PEF staff member to come observe what I have done to adapt this program. The school name and picture may be used for PEF publications. I agree to meet the above stated conditions or forfeit my Adapter Grant.

Project You Are Adapting _____

Program Information

1. How did you make direct contact with the Developer?
2. When did you do this?
3. On what date do you plan to start your adaptation of the program? (Adaptation must be done by April 23, 2010.)
4. On a separate sheet, please address the following questions in narrative form.
 - Why did you choose this idea to adapt?
 - What is the educational need for this program in your classroom?
 - How was the need assessed?
 - How many students will be involved in the adaptation? Grade level(s)?
 - What modifications do you intend to make to the Developer's idea to make it work for your situation?
 - What changes do you expect to see in student behavior, work, or test scores?
 - Include two lesson plans you anticipate to teach using your new materials. Include objectives, materials and lesson outline.
5. Make a supply list using the Materials Budget found on the last page of this document. These are the materials that you will need to implement this program in your classroom. You may use the Developer's supply list as reference (found in their Idea Pack) or make a supply list on your own to support the lessons you plan to implement in this program. ALL materials listed must relate to the adaptation of the Developer's program. Use the Materials Budget page of this application to complete your list. Your grant request should include tax and shipping costs and not exceed \$800. Funding will be limited to the amount on your budget list.

Principal's Approval

I am aware of the terms of accountability for this grant and support the teacher's proposal.
The School to School Connection staff may visit the school with prior notice for auditing purposes.
