

## CC UPDATE CHANGES 2007-08

- Now that summer is over, we are going to work on getting things that have been behind caught back up. We will still be going out to schools and doing some work out there. Please be sure to call either Jackie or Karen to discuss the Library Support Staff coming to your school.
  
- We now have a form that you may fill out requesting services from the Library Support Staff that you may use. If requesting services, please return the form to either Jackie Rose or Karen Sellers. The requests will be assessed and scheduled accordingly.
  
- We are asking that you also stick to the 10 item guidelines and the book list to 6 Sheets per school till you are notified that it has been added into Destiny, unless other arrangements are made.
  
- We will notify you by email when items have been added to Destiny.
