Q. General Goal/Purpose/Outcome

To provide the participant with knowledge and skills necessary for implementation of a developmentally appropriate, anti-bias program for PreKindergarten children with disabilities.

R. Specific Objectives (Must have 1 Minimum and Up to 12 Maximum for Each Category)

Acquisition:

Participants will:

- Recognize stages of child development from birth to 5 years.
- Recognize pre-cursors to conventional reading and writing.
- Become familiar with placement and dismissal criteria of the Developmentally Delayed category.
- Recognize the needs of young children with disabilities as they relate to the curriculum and the physical environment.

Application:

- Identify the essential experiences for optimal language, social, cognitive and emotional development in young children.
- Develop a classroom learning environment which includes well defined appropriately labeled interest areas.
- Provide a daily schedule that emphasizes a predictable routine and that balances large group-small group-individual time, quiet-active time, and child-initiated - adult-initiated activities.
- Provide a language rich, print rich environment.
- Identify the indicators of stress in children's behavior and provide effective cues and strategies to help the child manage that stress.
- Develop strategies for facilitating the development of self-esteem and creativity.
- Practice skills in child observation, anecdotal record keeping, and other alternative means of documenting a child's growth.
- Administer standardized and criterion-referenced assessments and interpret the results.
- Assess children's progress through developmental stages of play.
- Create and implement basic augmentative communication devices and develop techniques for engineering the classroom.
