

Example Action Plan:

The following actions will help schools implement a comprehensive anti-bullying program:

- Develop a **team**, or use an existing team (ex. PBS) to plan and oversee the activities
- Conduct a **Survey** that assesses the following:
 - Climate?
 - Relationships
 - Participation
 - Belonging
 - Type of bullying?
 - Severity and Frequency?
 - Place and Time?
 - Current programs – What skills are being taught?
 - Tolerance, Respect?
 - Specific Bullying related skills?
 - Faculty, student, parent understanding of the definition of bullying
- Create an **action plan** that is specific to your school
- Implement the **Awareness Training** for staff, students, and parents
- Develop multiple systems of **reporting** bullying that can be accessed by staff, students, and parents
- Determine a method of **monitoring** individual cases, and the frequency of bullying at the school
- Decide how you will educate students and help them change their behavior. Will you use:
 - Social marketing strategies and activities?
 - Direct instruction of anti bullying skills?
 - Actions that impact the school climate?
- Integrate your bullying plan with your school-wide behavior expectations and education
