

Access the Login Email Registration page

To access:

1. Go to **Fast ForWord Progress Tracker** at <http://gateway.scilearn.com>
 2. Click a Connection type (secure or non-secure)
 3. On the Login Email screen, click the Register now link.
 4. Follow the prompts to create a Login Email and password.
- After you complete registration, you are prompted to associate an organization with your Login Email. You must associate at least one organization with your Login Email to access Fast ForWord Progress Tracker. If you do not have the Organization ID and password, contact Customer Service.
 - You'll receive an email confirmation with your Login Email address and password to save for future reference.
 - The Login Email and password may also be used to access Customer Connect, our comprehensive online resource and support center at: www.scientificlearning.com/gateway/support
