

Mimosa Archive: User Preferences

Go to Tools, Options, User Preferences

Change the “Item Page Size” as desired. This determines how many records are shown on a page.

Make sure that the “Include Deleted Items by Default” and “Include History Items by Default” are set to YES.

Click Save

The screenshot shows a window titled "Mimosa NearPoint - User Preferences" with a blue header bar. In the top right corner of the header, there are two links: "Quick Search" and "Browse". The main content area is enclosed in a light gray border and contains the following settings:

- General**
 - Default User Interface Language :
 - Item page size :
- Browse**
 - Include deleted items by default :
 - Include history items by default :

At the bottom center of the dialog box is a "Save" button.
