

# Turn on the “Display Technical Names” function

Steps	Screen Displayed	Procedures
1	 <p>The first screenshot shows the SAP Easy Access menu. The 'Extras' menu is open, and 'Settings' is highlighted. The second screenshot shows the 'Settings' dialog box. The 'Display technical names' checkbox is checked. A green checkmark is visible in the bottom left corner of the dialog box.</p>	<p><b>At the initial screen:</b></p> <ul style="list-style-type: none"><li>• Click on <b>Extras</b></li><li>• Click on <b>Settings</b></li></ul>  <ul style="list-style-type: none"><li>• Click in the box to the left of <b>Display technical names</b></li><li>• Click the <b>Green check</b> or <b>Press Enter</b></li></ul>
2	 <p>The screenshot shows the SAP Easy Access menu with technical names displayed next to the transaction codes. For example, 'ME51N - Create Purchase Requisition' and 'ME52N - Change Purchase Requisition'.</p>	<p>The <b>Technical names</b> (Transaction codes- these codes can be typed in the command box) are displayed along with the name of the Transaction.</p>
