

# Polk County Public Schools Class of 2001 Follow-up Survey

## Marketshare of the top 15 companies of FULL-time employed graduates

Of the 2,085 graduates who were surveyed (in the fall of 2002), 587 were employed full-time

"Not answered" = graduate was employed part-time but company was not identified

"Did not know" = graduate was employed full-time but respondent did not know which company
