

Become a Community Partner!

The Polk County Public Schools HEARTH Project welcomes businesses to support a local school or our program. Any support that we receive to help fulfill the needs of our homeless students is greatly appreciated by our program as well as by the families that we serve. You can be a Community Partner by giving a monetary donation, food and gas gift cards, school supplies, or hygiene packs, or by organizing an event or drive to benefit our students. Below is a list of Community Partners who have generously donated to our program. To learn more about how you can partner with us, please contact the PCPS HEARTH Project office at 863-534-0801 or e-mail homeless liaison DeeDee Wright at deedee.wright@polk-fl.net.

Is your business or organization interested in helping homeless students in Polk County? If so, consider becoming a **Community Partner** with our program!
